Attorney McCoy advised that the public hearing was the result of a petition filed by Greg Shelton, d/b/a Shelton Fireworks to have certain real property he owned annexed into the Chambers County Industrial Park at Cusseta. Attorney McCoy noted that when he checked the title on the real property plat, the 9.8 acres that were the subject of Mr. Shelton's petition included property that was not only located in Chambers County, but Lee County as well.

Mr. Shelton stated he had been located in his present location 10 years and would like to be a part of the industrial park. Ms. Lee stated Mr. Shelton's business was an asset to the county.
